

### End of year round up...

#### 96 days to go until our first major exhibition

Art at the Edge has been in operation for 3 years and 2011 has seen us complete our stunning bronze collection with the Paralympic sculpture competition winner's study joining the commissioned pieces. Two of the bronze studies have also been created as life sized sculptures. Our guest artists working in other mediums, have also created some powerful and thought provoking artwork.

We have worked hard to bring the sculptures to a wide audience having exhibited them at the following events and venues.

- Bath Central Library
- Future of Bath and Beyond, Octagon, Bath
- Youth Sport Trust Conference Telford
- CircleBath
- ParalympicsGB Offices London
- Thermae Spa, Bath
- British Gymnastics Conference Telford
- KPMG Head Offices London
- Bristol Gallery
- Royal Crescent Hotel, Bath
- Paragon School, Bath
- Heathrow Terminal 5
- GSK Head Office London
- ParalympicsGB simulation camp, University of Bath
- Deloitte's Head Office London
- Loughborough University
- The RUH, Bath
- Heathrow BA Lounge

Photos from recent events, including Art at the Edge sculptors interviewed for a documentary on the history of Olympic Art by 'Filmtank', and events at CircleBath and the RUH.

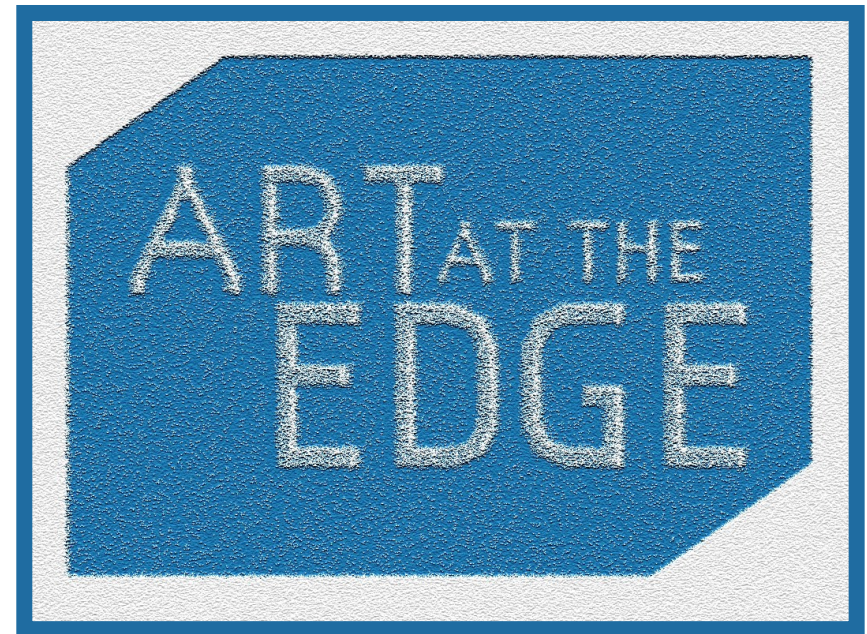

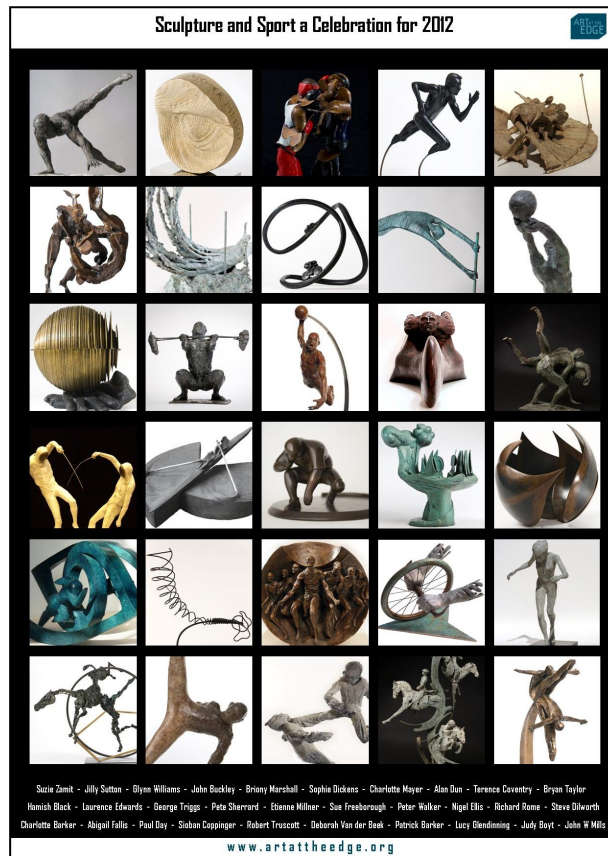

### The perfect Christmas present!

For a Christmas present with a difference, why not purchase an Art at the Edge Lottery ticket for just £10, giving someone the chance to win their choice of the bronze commissioned sculptural studies and support our beneficiaries ParalympicsGB and the Youth Sport Trust in their life changing work with disabled and disadvantaged young people.

We will do our best to dispatch tickets to arrive before Christmas and tickets purchased before the end of the year will receive a special gift cardholder displaying some of the beautiful sculptures from the collection. The draw will take place at the end of the Paralympic Games.
